Webinar: Educational Rights in the School: What Parents Need to Know

Tuesday, February 7th at 6:00 PM

Description: Learn about your child's special education rights and what you can do to make sure that your child receives equitable educational opportunities. Act 48 for PA school educators provided.

Presenter: Angela J. Uliana-Murphy, Esq

Murphy and Murphy, P.C

To Register: https://us02web.zoom.us/webinar/register/WN_2VHVgDHVREar-1PcXbOFWQ

Epilepsy in School: Training for Teachers and School Personnel

Date & Time: February 13, 2023 from 5:30-6:30pm

Presenter: Ellen Baca, Lehigh Valley Resource Coordinator

Registration: https://us02web.zoom.us/webinar/register/WN_TzF7xxT2SaKtq5Aa-tRGJw

Description: The training will acquaint school staff with new seizure classifications, seizure first-aid, and latest treatments and devices to allow them a better understanding of epilepsy and implications for care. The training will also present the social, psychological, and cognitive impacts that epilepsy may have for a student. There will be time at the end for an interactive Q&A. A certificate of completion and epilepsy resources will be emailed after the training. Act 48 credits given.

For questions about the training please contact Ellen Baca at lv@efepa.org.

Epilepsy in School: Training for School Nurses

Date & Time: February 15, 2023 from 5:30-7pm

Presenter: Kerri Michnya, Lancaster & Berks Resource Coordinator

Registration: https://us02web.zoom.us/webinar/register/WN_yg-sHZVSR_SjrovC1v8X_A

Description: This training will acquaint school nurses with new seizure classifications, seizure first-aid, and latest treatments and devices to allow them a better understanding of epilepsy and implications for care. The training will also present the social, psychological, and cognitive impacts that epilepsy may have for a student. There will be time at the end for an interactive Q&A. A certificate of completion and epilepsy resources will be emailed after the training. Act 48 credits given.
