### **Seizure Recognition & First Aid Training for First Responders**

Date & Time: March 14, 2023 from 5:30-7pm

Presenter: Kerri Michnya, Lancaster Area Resource Coordinator

Registration: [https://us02web.zoom.us/webinar/register/WN\\_tSpaZ8YwRTW3d1YNLKgO3Q](https://us02web.zoom.us/webinar/register/WN_tSpaZ8YwRTW3d1YNLKgO3Q)

Description: This training will teach emergency personnel how to recognize the signs and symptoms of various seizure types, the administration of proper seizure first aid, ways in which to handle epilepsy-related events, latest treatments and devices, and the unique needs of people living with epilepsy. This training is approved for NJ and PA CEUs. Those who need CEUs will be entered into the class in the EMS registry by the EFEPA. A certificate of completion and epilepsy resources will be emailed after the training.

For questions about CEUs please contact Rena Loughlin at [rloughlin@efepa.org](mailto:rloughlin@efepa.org).

For questions about the training please contact Kerri Michnya at [kmichnya@efepa.org](mailto:kmichnya@efepa.org).

### **Seizure Recognition and Management for Law Enforcement Training**

Date & Time: March 21, 2023 from 5:30-7pm

Presenter: Mary Loughlin, Northeast Resource Coordinator

Registration: [https://us02web.zoom.us/webinar/register/WN\\_682eSDUIQA66N-gYSpufOg](https://us02web.zoom.us/webinar/register/WN_682eSDUIQA66N-gYSpufOg)

Description: The Epilepsy Foundation Eastern Pennsylvania recognizes how important law enforcement response can be to the health and safety of people experiencing seizures. Proper training responding to a seizure is particularly important considering the likelihood of law enforcement personnel encountering such a medical event. This training will teach law enforcement personnel how to recognize the signs and symptoms of various seizure types, the

administration of proper seizure first aid, ways in which to handle epilepsy-related events, latest treatments and devices, and the unique needs of people living with epilepsy. There will be time at the end for an interactive Q&A.

For questions about the training please contact Mary Loughlin at [epilepsywv@efepa.org](mailto:epilepsywv@efepa.org).
